

## **An influx of visitors from abroad to the Eurasia Window, Door and Glass Fairs**

**544 companies and company representatives participated in the Eurasia Window, Door and Glass Fairs which took place at Tüyap Fair and Congress Center between 12-16 November. The fairs, which brought together international procurement committees consisting of nearly 600 industry professionals from over 100 countries, attracted a total of 60,128 visitors.**

The Eurasia Window, Door and Glass Fairs, which are included among the largest and most prestigious industrial events in the region, was held at the Istanbul Tüyap Fair and Congress Center between 12 and 16 November 2022.

The 23rd International Window, Window Shade, Facade Systems and Accessories, Profile, Production Technologies and Machinery, Insulation Materials, Raw Materials and Auxiliary Products Fair brought together leading firms in the industry operating in the fields of window manufacturing machinery and technologies, window profiles, profile manufacturing machinery, window mechanisms, window side industry, facade systems, insulation materials, raw materials and auxiliary products with numerous decision-making industry professionals.

The fairs, held in collaboration with the Window and Door Sector Association (PUKAD), Window Producers Quality League Association (PUKAB) and Entrepreneur Aluminum Industrialists and Business People Association (GALSIAD), were visited by 60,128 people from 126 countries, including 13,143 visitors from abroad and 46,985 local visitors from Turkey.

Ali Muharremoğlu, Managing Director, Reed Tüyap Fuarçılık, stated "The Eurasia Door, Window and Glass Fairs were concluded with a record-high attendance figure. Leading firms from the industry exhibited their latest innovative solutions in the fields of door, window and glass manufacturing. This year our participants were also extremely pleased with the interest shown in the auxiliary products and solutions at the Aluminum and Shading special sections. We have seen professional visitors from 126 countries establish key business contacts during the fairs."

**The Eurasia Door Fair gathered visitors for the 14th time, and the Eurasia Glass Fair for the 12th time**

The **Eurasia Door Fair**, where the industry's leading manufacturers of interior door and door systems, locks, panels, panels, partition systems and accessories exhibited their products and services, met with its visitors for the 14th time; and the **Eurasia Glass Fair** met with its visitors for the 12th time with glass products and applications, production-processing technologies and machines, and complementary products and chemicals.

**See you again between November 11 - 15, 2023...**
